## ſarie to be knowen, leading to the iudgement of the yeere following, being Leape yeere.

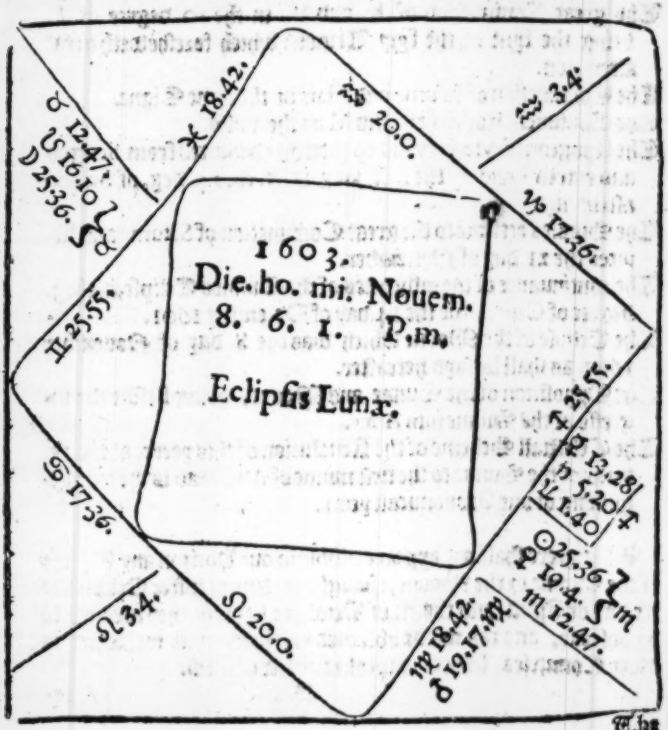

THe Signe of the great Orbe ♊.
The Gouernesse of the ſame Orbe ☿.
The degree of perfection in ỹ ſame Orbe is the 19. deg. of ♍.
The Deuiſor of this time, is ☿.
The great Coniunction of ♄. and ♃. in the 10. degree of ♐. being the fyrſt of the fyry Trigon: which foreſheweth great alteration.
The Coniunction of Saturne and Mars in the ſame Signe.
The Coniunction of Iupiter and Mars there alſo.
The Apogeon of Mercury his eccentricme departed from Scorpio and entred Sagitary the 2. of July 1585. the 14. deg. of Scorpio aſcending.
The Sunnes retirne to the great Coniunction of Saturne and Iupiter the 21. day of Nouember.
The continuance of the influences of the Sunnes Eclipſe, in the 3. degree of Capricorne the 14. day of December 1601.
The Eclipſe of the Moone which was the 8. day of Nouember 1603. as ſhall be ſayd hereafter.
The Oppoſition of the Sunne and Moone, going before the ingreſſe of the Sunne into Aries.
The Celeſtiall Scheme of the Reuolution of this yeere, at the returne of the Sunne to the firſt minue of Aries, and is the true beginning of our Aronomicall yeere.

This yeere ſhall not appeare viſible in our Horizon any Eclipſe of the Sunne or the Moone, though the Sunne ſuffer Eclipſe the xix. day of Aprill, and the xii. of October: becauſe they are both to vs vnſeene, and can not be obſerued and ſhew their influences to other Countries, I leaue to ſpeake further of them.

# A Prognostication.

## A rehearsall of the Eclipse of the *Moone in November.* 1603.

THE sayd Eclipse of the Moone that was the viii. day of November. 1603. at. vi. of the clocke and one minute at night in the. 26. degree of Taurus, neare to the Dragons tayle: and being placed in the 12. House, which is the House of secret Enemies, deceiuers, enuiours, backbiters, craft, euill cogitations, sorrow, sadnesse, mourning, lamentation, murmuring, blasphemie, poisoning, and women in childbirth, &c. as the Figure following sheweth.

The

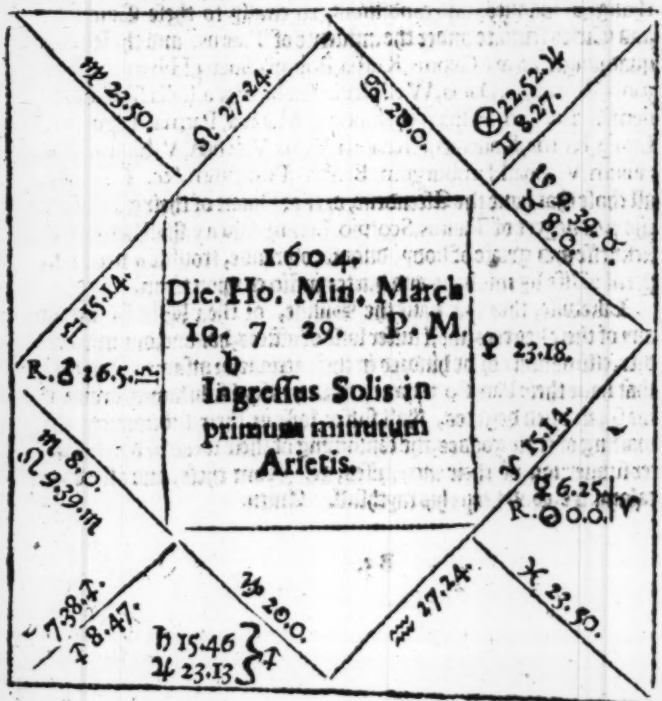

The Planets that gouerne in this Eclipſe, are Saturne and Mercury, both ſeated in the 6. houſe, which is of ſickneſs & hurtes of the body, ſeruantes, & ſmall beaſtes: and being but badly affected, threatens much hard weather, froſt, ſnow, and ſtormy tempeſtes, which ſhall cauſe perillous Nauigations and Shipwrackes, corruption of Fiſh, and murren of Beaſtes: hurt by Inundations and Floodes. Alſo, long and durable Diſeaſes, Coughes, Thiſicke, noyſome Humours, Fluxes, quartarne Agues; likewiſe baniſhmentes, impriſonmentes, eſpecially to aged perſons. It will ſtirre vp many to theft, rapine, lying, vſurie, irreligion, wicked ſectes, change of manners and conditions, eſpecially to theſe Countries and Cities ſcituate vnder the influence of Taurus, and the ſeconde quadrangle, as are Cyprus, Ruſsia, Polonia, Suetia, Hibernia, Campania, Noruegia, Dania, Weſtphalia, Galliatogata, Italia, Sicilia, Bohemia. Burgun, Hiſpaniæ, Bononia, Mantua, Parma, Tigurium, Lipſia, Roma, Rauenna, Cremona, Vlma, Valentia, Vrbinum, Patauium, Vienna, Hamburgum, Brema, Tridentum, &c. Likewiſe, all thoſe that haue the Aſcendent, or the Moone of their geniture in the 26. degree of Taurus, Scorpio. Leo. or Aquary, ſhall haue great ſickneſſe and griefe of body, diſquiet of minde, trouble & veration, perill of life by miſhaps and hurtes inflicted vpon them.

Likewiſe, they that haue the Sunne, or their Mid-heauen in any of theſe degrees, ſhall ſuffer loſſe of offices, honour, dignitie, credite, eſtimation: or be hindred in their actions or affayres. And they that haue their Pars Fortunæ, or their houſe of ſubſtaunce in any of the forenamed degrees, ſhall ſuffer loſſe in their ſubſtaunce, the waſting of their goodes, the conſuming of their wealth, and the vtter ſubuerſion of their enterpriſes, &c. From theſe, and all other calamities, God keepe his faythfull. Amen.

# A Prognoſtication,

## A Deſcription of this yeeres Reuolution, as foloweth.

THis yeeres Reuolution takes his beginning at what time the Sunne enters into the firſt min. of Aries, which ſhall be this yeere the 21. day of March at viii. of the clocke & xxix. min. at night, the 16. degree of Libra aſcending: as the Figure foloweth doth plainely ſhew.

The

The preuention going before in the 25. degree of ♍. in the 12. Houſe: All which conſidered, ſhewes but a bad eſtate of the yeere following, though the Eclipſe of the Sunne hath partly ſhewed his effectes for this great Mortalitie and Plague, by the death of many thouſandes, yet is not his greateſt force and vehemencie paſt, but to come, eſpecially in the euentes which it portendeth. Great and peſtilent infirmities will it yet cauſe by ſundry ſortes of Sicknelles, as burning Feuers, Tertians, and ſemi-tertians, eruptions of blood, ſharpe and quicke Headaches, Frenſles, paynes of the Stomacke, Diſſenteries, and Fluxes, ſtrange Collickes, and ſecret diſeaſes, with Apoſtumes and Excretions not only in certaine partes, as of the Emunctories, but diſperſed through the whole body, vpon the infection of the Blood, very virulent and perilous moſt about the backe, legges and thighes, knees and priuities. Great contention and ſtrife, diſſentions, angers, with Warres, tumultes, diſpleaſures, and indignities of the greateſt, ending by impriſonment, and ſuddaine death, by occaſion of Feaſtes and Banquetings: great expenſes and conſumminges of treaſures of whole multitudes, cities, and countries. Burnings and ruines of Houſes: great Robberies and violences both by Sea and Land. In the Ayre Apparitions, Tempeſtes, hurtes by Lightninges and Thunder, ſoultry heates and dampes from the earth. Great Shipwrackes: but moſt in the Southerne Seaes. Death of Cattle, Horſes, Beaſtes, and Fowles, for mans vſe, with hurt of the increaſe on the earth. Women with child to come before their time. Great heauineſſe & fretting to Parentes for their Children, for violences, ryotinges and expences. Alterations of Manners and conditions in Common wealthes. From theſe, and all other calamities deliuer vs our ſinnes, GOD keepe all his choſen. Amen,
